

Heart and Soul Data Analysis Proposal Form

Date:	
Investigator's name:	
Address:	
Telephone number:	
E-mail address:	
Co-investigator names:	
Title of proposal:	
Research question:	
Two or three sentence justification:	
Primary variables to be used in the analysis:	
<ul style="list-style-type: none">• Predictor:	
<ul style="list-style-type: none">• Outcome:	
<ul style="list-style-type: none">• Potential confounding variables:	
<i>I have read and understand the Heart and Soul Study publication policy (please insert electronic signature in space below):</i>	
Email completed form with a copy of the investigator's CV or NIH biosketch to:	
Mary Whooley, MD <u>mary.whooley@ucsf.edu</u> 415-221-4810 ext. 3386	

If you would like to do the data analyses yourself, please attach a list of variables that you need. If you would like for the Heart and Soul data analyst to do the analyses, please attach the tables that you would like to include in your manuscript. In either case, please specify the codes, definitions and/or calculations for your variables of interest.
